

GENTICORUM WORKSHOPS

Genticorum can offer workshops as a group, and each individual member can also host more specialized workshops. We enjoy sharing our love for Quebecois music, and all the members are experienced teachers.

Inside Quebecois Traditional Music: all you always wanted to know about Quebecois music and were afraid to ask (*the whole group*)

A demonstration / question and answer session about Quebecois traditional music, and the instruments used in this tradition - fiddle, accordion, guitar, piano, guimbarde (jaw harp), feet, etc.

Call and Response Songs from Quebec (*The whole group or any member individually*)

Learn some traditional Quebecois songs sung in the 'Call and Response' fashion - the leader sings a line, and the entire group repeats. A great way to pick up some French!

Quebecois Fiddle (*Pascal*)

Learn tunes from the Quebecois fiddle repertoire, with an emphasis on style and ornamentation. (2 levels = beg-int & int-adv)

Harmony Singing (*Nick*)

Learn easy multiple part harmony songs

Easy Quebecois Tunes for all Instruments (*Yann, Nick or Pascal*)

Working by ear, we'll look at some fun-to-play tunes in the Quebecois style.

French Canadian Guitar Accompaniment: (*Yann*)

Learn more about accompanying Quebecois fiddle tunes, with all guitar tunings (intermediate and advanced levels)

Introduction to DADGAD Guitar (*Yann*)

Learn the basics of the DADGAD tuning, which is fantastic to back up fiddle tunes and songs (all levels - for people that are new to DADGAD, or that want to review the basics)

Foot Percussion Workshop (*Pascal*)

Learn the art of Quebecois foot percussion used to accompany songs and fiddle tunes.
